MEMORANDUM

TO: Local and Intermediate School District Superintendents and

Public School Academy Directors

FROM: Natasha Baker NBAL

Deputy Superintendent of Education Services and

State School Reform Officer

Venessa A. Keesler, Ph.D. Venessa

Deputy Superintendent, Accountability Services

SUBJECT: Public Comment Period for Michigan's Renewal Request for ESEA

Flexibility

In July 2012, the U.S. Department of Education (USED) approved Michigan's request for flexibility in implementing certain requirements of the Elementary and Secondary Education Act (ESEA), also known as the No Child Left Behind Act of 2001 (NCLB).

This flexibility approval allows local school districts more freedom in how they use some federal dollars to improve student achievement and close achievement gaps; recognizes schools that are meeting or exceeding achievement goals; ensures that all students have access to effective educators; and includes an accountability scorecard to measure student achievement and growth in schools and districts. Moreover, the approved ESEA flexibility alleviates the impending consequences of the NCLB requirement that 100% of students demonstrate academic proficiency by 2014, replacing the mandate and subsequent consequences with an appropriate timeline and targeted supports to meet student growth and proficiency goals.

The current approval expires at the end of the current (2014-2015) school year.
